ROCKY HOST PROGRAM

Fitzroy River (Tunuba) | Rockhampton QLD Australia

The Fitzroy River (Tunuba) is the heart of Rockhampton City and famous for barramundi, pronounced "bardda moon di" by the Darumbal people. This defines the Fitzroy River catchment as the genuine Home of the Barramundi in Australia.

The Darumbal people believe that the Munda-Gadda created all the waters in the land, its rivers, creeks and streams, it created the underground rivers and lakes and the water in plants. The Darumbal people believe that the Munda-Gadda is Tunuba (Fitzroy River).

Rockhampton is the only city in Australia where you can fly in, check in and boat out in less than an hour targeting trophy Barramundi and King Threadfin right in the middle of the CBD. With a total catchment area of 156,000 square kilometres, the river provides prime estuary and freshwater fishing country.

TOP 5 FACTS

- Darumbal name is 'Tunuba'
- The Fitzroy provides both estuary and freshwater fishing
- Fish species include barramundi, saratoga, golden perch, king threadfin, blue threadfin, grunter, mudcrabs, golden snapper
- Crocodiles inhabit these waters - be croc wise
- Found only in the Fitzroy River catchment and its tributaries, omnivorous bum-breathing turtles can take between 15-60 breaths per minute through their bottom
