## ROCKY HOST PROGRAM

Cedric Archer Park | Gracemere, QLD Australia

Cooling off is never far from your mind in our subtropical climate. And with kids in tow, some days you might just be looking for some fun in the water. Rockhampton has a number of [pools and aquatic centres](#) around the region to provide some cool relief. There are many budget friendly options including public pools with waterslides. There are also free options you can take advantage of including a water play park at both Gracemere and Kershaw Gardens, and water jets to splash around in the CBD at the Riverside Precinct.

Another option is to check in to Discovery Parks Rockhampton and during your stay you can take advantage of the fantastic water playground they have in their park.

### TOP 5 FACTS
