ROCKY HOST PROGRAM

Pilbeam Drive | North Rockhampton QLD Australia

Mount Archer's (Nurim) imposing and beautiful silhouette has long been regarded as an iconic landmark representing the Rockhampton region. Think expansive views, natural beauty, nature, culture and history. Every valley, creek and piece of countryside in the area is significant to the traditional owners of the land, the Darumbal people.

The area is also home to the First Turkey Mountain Bike Park, kid's playground and nature walks catering for all fitness levels. Nurim Circuit is a must for your Rockhampton bucket list. Extending 25 metres off the side of Mount Archer (Nurim), the 500 metre flat boardwalk offers spectacular views of the city and the mighty Fitzroy River (Tunuba). Take your time soaking up the views and checking out the interpretive signage of the local Darumbal culture. The boardwalk is particularly popular with locals and tourists alike wanting to catch the spectacular sunrises and sunsets so don't forget your camera!

TOP 5 FACTS

- Interpretive signage at the elevated boardwalk is inspired by a traditional artwork by Darumbal artist Ernest Garrett
- Nurim circuit extends 25 metres outwards, 7.5 metres high and is wheelchair accessible
- It is the highest peak in the Berserker Ranges at 604m²
- Named in honour of the Archer brothers, who explored the Fitzroy area in 1853, the park is part of the Darumbal Aboriginal people's traditional country
- Mount Archer underwent significant repair and re-activation following large-scale damage caused by Cyclone Marcia in 2015
